Patent Searches - What No One Tells You

What are some of the common pitfalls startups face when conducting patent searches? In this video, I explain why superficial or improper searches can leave founders exposed to infringement risks and false confidence about their freedom to operate.

HOW YOU GOT ON THE LIST

You are on my mailing list because we have worked together, have met professionally, you may have contacted me with a legal or business question, you sent me junk mail and I am returning the favor or maybe we are just friends or family and my small marketing department didn't think you would be too annoyed by receiving this email. If you are receiving this by mistake, have decided to unfriend me (or find a new family), are just not interested, or would otherwise like to be dropped from the mailing list, please email your request to [Unsubscribe](#) and you will be removed.

NOT LEGAL ADVICE: *It will make the Bar Association of your state or country sublimely happy if I remind you that this newsletter is not legal advice, it is not a solicitation for business, and it does not itself form an attorney-client relationship.*
